Re: *In re Visa Check/MasterMoney Antitrust Litigation (CV-96-5238)(JG)(RLM)*

Dear Judge Gleeson:

I write to inform the Court that the time for objections to Special Master Wilcox's Report and Recommendation dated January 11, 2006 and Report and Recommendation dated March 6, 2006 has run. There have been no objections. In response to Special Master Wilcox's comment in the March 6 Report and Recommendation that Lead Counsel did not provide to the Special Master certain invoices, Lead Counsel notes herein that the only reason that those invoices were not provided was because Lead Counsel did not understand that they were requested. In the future, Lead Counsel will provide the Special Master with invoices, in addition to summary descriptions of the type that were requested in the January 11 Report and Recommendation.

Respectfully,

Stacey Anne Mahoney
